Filed under authority of the order of the Senate of JUNE 29 (legislative day, JUNE 27), 1983

Mr. TOWER, from the Committee on Armed Services, submitted the following

## REPORT

[To accompany S. 1230]

The Committee on Armed Services, to which was referred the bill (S. 1230) to authorize appropriations for the fiscal year 1984 for intelligence activities of the U.S. Government, the Intelligence Community Staff, the Central Intelligence Agency retirement and disability system, and for other purposes, having considered the same, reports favorably thereon with amendments and recommends that the bill as amended do pass.

### PURPOSE OF THE BILL

This bill would:

(1) Authorize appropriations for fiscal year 1984 for (a) intelligence activities of the United States, (b) the Intelligence Community Staff, and (c) the CIA Retirement and Disability System;

(2) Authorize the personnel end-strength as of September 30, 1984, for (a) the Central Intelligence Agency, and (b) the Intelligence Community Staff.

### COMMITTEE AMENDMENT

The Committee on Armed Services recommends that S. 1230, as reported by the Senate Select Committee on Intelligence, be amended as follows:

11–010 O

S203-4

On page 2, line 23, strike the period and insert ", as amended by the classified appendix of the Committee on Armed Services of the Senate."

On pages 5, 6, and 7, in section 202, strike the phrase "or Deputy Director" each time it appears and amend subsection (c) by striking the period on page 7, line 2, and inserting ", except that only one commissioned officer of the armed forces occupying the position of Director of Central Intelligence or Deputy Director of Central Intelligence as provided for in section 403 of title 50, United States Code, or the position of Director of the Intelligence Community Staff under this section, shall be exempt from such numbers and percentages at any one time."

## THE CLASSIFIED REPORT AND THE APPENDIX

The classified nature of U.S. intelligence activities prevents the disclosure of details of the intelligence budget.

The Senate Select Committee on Intelligence, however, has prepared a classified report which describes in detail the full scope and intent of its actions and the specific amounts authorized for each of the major intelligence programs. In its unclassified report on S. 1230, Senate Report No. 98–77, the Senate Select Committee on Intelligence states that "the classified report, although not available to the public, will have the full force of any Senate report, and that the intelligence community will comply with the guidelines, directions, and limitations contained therein."

The Committee on Armed Services has prepared a classified appendix to the classified report of the Senate Select Committee on Intelligence referred to above. This appendix contains details of changes recommended by the Committee on Armed Services to the classified report of the Select Committee on Intelligence. If the amendment recommended by the Committee on Armed Services is agreed to by the Senate, the classified appendix prepared by the Committee on Armed Services will supersede the classified report of the Select Committee to the extent that such report is inconsistent with the classified appendix.

## DIRECTOR OF THE INTELLIGENCE COMMUNITY STAFF

Under current law (50 U.S.C. 403(b)(3), a commissioned officer serving as Director or Deputy Director of Central Intelligence shall not be counted against the numbers and percentages of commissioned officers of the rank and grade of such an officer authorized for the military service of which he is a member. However, a commissioned officer may not be assigned to fill more than one of these positions at the same time (50 U.S.C. 403(a)).

The committee recommends an amendment extending this same exemption from rank and grade ceilings to a commissioned officer serving as Director of the Intelligence Community Staff, except that, at any one time, not more than one commissioned officer serving as Director or Deputy Director of Central Intelligence or Director of the Intelligence Community Staff shall be exempt from the numbers and percentages of commissioned officers of the rank and grade authorized for the military service of which he is a member.

### COMMITTEE ACTION ON THE BILL

On June 27, 1983, the Committee on Armed Services, by unanimous vote, ordered the bill, as amended, to be reported favorably.

### EVALUATION OF REGULATORY IMPACT

In accordance with paragraph 11(b) of rule XXVI of the Standing Rules of the Senate, the committee finds that no regulatory impact will be incurred in implementing the provisions of this legislation.

### CONGRESSIONAL BUDGET AND IMPOUNDMENT CONTROL ACT

The committee has complied with section 403 of the Congressional Budget and Impoundment Control Act of 1974 to the extent practicable.
